

Alpha & Omega

Issue #32, 4/8/95

Alpha & Omega is the official zine of the Miller Number Custodian. Published by: Lee A. Kendter, Jr., 1503 Pilgrim Lane, Quakertown, PA 18951. (215) 529-7552.

Subs are \$.75 (USA), \$1.00 (Canada), \$1.50 (overseas) per issue. Back issues are available. If interested, please let me know which issues, and I can give you a price to get the copies.

I am looking for large blocks of old zines that dealt with variants. If you have a large block to contribute I would appreciate it. I will pay postage up to \$2.90 without question. If the blocks requires more and you want postage and other costs, please write me with the list of zines and what you want for them.

If anyone wishes to submit articles on variants, I will include them in future issues of A&O.

Abandoned Games

If you know of any games not played for at least a year, please let me know.

Corrections

1988IArb32 was reported as abandoned. The game did continue and the end game is in this issue.

End Games Incomplete

I am waiting for more information on the following:
